

A printer margin test page for a postcard-landscape orientation. The page features a central title, a power attribution at the bottom, and four decorative arcs of black triangles. The top arc consists of five upward-pointing triangles. The bottom arc consists of five downward-pointing triangles. The left arc consists of five leftward-pointing triangles. The right arc consists of five rightward-pointing triangles. All arcs are roughly semi-circular and positioned near the corners of the page.

Printer margin test page for postcard-landscape
